

CITIZENS MILITIA of MISSISSIPPI

Liability / Risk of “Gun Free Zone”

WARNING

Denying law abiding citizens of Mississippi of their Second Amendment right to keep and bear arms while patronizing privately owned businesses is discrimination.

The unanimous Supreme Court 9-0 decision to uphold Miss. House Bill 2 secures the legal Second Amendment rights of citizens of Mississippi. The purpose of House Bill 2 (HB2) was to clarify and define the meaning of “concealed”. First noted, under Mississippi Constitution, **Article 3, Section 12. Right to bear arms**; “*The right of every citizen to keep and bear arms in defense of his home, person, or property, or in aid of the civil power when thereto legally summoned, shall not be called in question, but the legislature may regulate or forbid carrying concealed weapons.*”

Citizens Militia of Mississippi (CMM respectively) is an organization dedicated to the “General Welfare” of all citizens of Mississippi. As a business owner, it is important you understand the extent of liability your business interests will incur by volunteering for the “Gun-Free Zone” campaign. In doing so, you are therefore denying law abiding citizens their Second Amendment right to keep and bear arms and protect themselves. Moreover, you are implying your business will be solely responsible for defending unarmed patrons of your business from any potential harm. **Please Note:** The state of Mississippi assumes the responsibility of protecting unarmed citizens in state courthouses and public venues.

Therefore it is in your best interest to do one of two things.
Remove the “No Firearms Allowed” sign, **OR** hire armed security guards to protect your patrons.

CMM’s focus is on “Communities First”. We believe in patronizing and promoting local businesses. After all, local businesses are made up of local people.

CMM’s first priority is to the citizens of Mississippi as a whole. Just as Civil Rights leaders fought and succeeded at the removal of “whites only” signs in businesses, so too will CMM defend the right of law abiding citizens to keep and bear arms.
